VOL. I.

HONOLULU, H. I., THURSDAY, AUGUST 1, 1895.

No. 33.

## TOPICS OF THE DAY.

Commissioner Severance says the P. G.'s are "N. G." Right you are, Henry.

The Conservative Club of Hilo is making preparations for the reception of ex-Marshall Hitchcock, on his return to his native pastures.

Mr. Durrell, of Louisiana, is preparing a letter of thanks for presentation to Mr. H. R. Hitchcock of Hilo. \$25,000. Yum! Yum! Yum!!!

Minister Damon's Currency Act should be entitled: "An Act to Inflate the Currency of the Republic of Hawaii." This is just what it means.

To mark his gratitude for peculiar services rendered, His Excellency Wm. R. Castle should take Charles Achi, Esq., to Washington, as Secretary.

The scribbling "Tourist" who is furnishing the Government organ with a "sass" about President Cleveland, "tours" between the sanctum of the Advertiser and the Executive Building.

Good gracious! Will the Sharpshooters disband? Who will save the country now, Captain Kidwell? Are we to be left to the undermercies of the Colonel of Horse-marines and his regular army?

The Star and the Advertiser have got the "bloody shirt" between them. Thank goodness, there is yet some kind of a screen to hide the nakedness of each other's greed from their own and the public's eyes.

W. R. Castle, Minister appointee to Washington, has got all the instructions he wants. And he had them before he was appointed. But he will never carry them out. He can't! He simply isn't even Cain's brother—that is, he is not Abel.

Friends of the government are asking who marks time for the Ministry to march by. We are credibly informed that Senators Morgan and Hoar are drilling Mr. Dole and his cabinet in the interests of partisan politics in America. It is another case of monkey, cat, chestnut and fire. Burned paws are all that our officials are likely to get.

"The summary manner in which the House non-concurred in a number of Senate amendments to the Land Act has made some of the grave and thoughtful members of the upper branch wonder if putting in time and attention on important legislation is worth the while."—Star.

Who is getting weary? After the Constitution has given Supreme power to the Senate, has the Star found a kicker who doesn't even want the House of Representatives—supposed to represent the people—to stick pins in his expansive shirt bosom—not even diamond pins. Gah! Get along!!!

L. B. Kerr has still a large assortment of ladies goods on hand. It will pay to inspect his store on Queen street.
